

Hi, my name is Brian Florang and I'm running for Mayor of Hinckley. For those of you that don't know me, I'd like to introduce myself and share with you why I'm running for Mayor. I moved to Millard County six years ago, after accepting a position at LiquaDry in Abraham, Utah. Currently, I work as their Director of HR, Quality, and Government Relations. Over the past four years, I have had the pleasure of living in Hinckley, and for the last three years, I have had the honor of serving alongside Mayor Brown, Councilman Chris Palmer, Councilwoman Holly Joseph and Councilman Justin Rowlette. It has been a true pleasure serving with people that care as much as they do about Hinckley.

Prior to relocating to Hinckley, my wife (Ruth) and I lived in Monroe, Utah with our three children. Much of our life has been spent in rural communities and it's a lifestyle that we not only enjoy but place a high value on and wish to maintain. Our children have grown, left our home and have started families of their own, giving us six beautiful grandchildren.

I grew up in a military family, my father was career Navy, my grandfathers, brothers, uncles, cousins, and one of my sons all served in the military. My parents taught me the importance of service to others, community, and country. I have tried to honor that lesson through my service in the U.S. Air Force, and by participating in church and community service opportunities. I hope to continue by serving as your Mayor.

Over the years I have had the unique opportunity to work in a variety of positions (both volunteer and paid), that have provided me with the experience, knowledge, skills, and relationships that I have been able to draw on while serving on Hinckley's Town Council. As Mayor, I will continue to bring these to bear on the issues and opportunities that lay before Hinckley. My desire is to retain what makes Hinckley a wonderful place to live while finding ways to continue the work started by Mayor Brown and the Council to improve the infrastructure and the appearance of the town.

If you'd like to ask me a question or share with me your thoughts about our town, please feel free to stop and talk with me, or email me at [bflorang@gmail.com](mailto:bflorang@gmail.com). Thank you for taking the time to read this letter, and whether you vote for me or not, please do vote in the primary on August 15<sup>th</sup> and the General Election on November 7<sup>th</sup>, 2017.
