

Hi! I am Mykaleen Hathaway. I grew up in Meadow, UT with 3 brothers and 4 sisters and 2 amazing parents. I have 2 beautiful girls and a loving husband whom I adore. My family means the world to me.

I have lived in Hinckley for the past 8 years and have loved every minute of it! I worked at the Hinckley Post Office for 6 years, where I got to know and love so many of you. I am currently working at the Post Office in Delta, where several of you still come to see me occasionally.

It has been a blessing to feel like I am a part of this wonderful community. Most of the people here have touched my life in one way or another, and I am grateful for that. I am thankful for the love that I have felt and the encouragement that has been shared with me from the members of the beautiful town of Hinckley. I know that together, we can continue to make Hinckley a delightful town to raise families and to grow as a community.
